## SUBMISSION GUIDELINES

Dear Contributor,

We welcome submissions of articles, poetry, art and photography dealing with spiritual/personal growth and holistic health. Our topics include creativity, prosperity, nutrition, the environment, relationships, love, sex, death, recovery, men's/women's issues, yoga/meditation, introspection and more.

These are the **guidelines** we use to consider publication of submissions:

Your submission must be informational, not promotional (not an "infomercial" or "advertorial" which serves primarily to promote one's product, practice or service). We do not reprint press releases and we generally shy away from features.

Including your brief bio, the **MAXIMUM WORD COUNT IS 850.**

For whatever reason, your contribution may not fit into the theme we're currently working on. However, if we like it, we'll hold onto it. Our suggestion is to write from your heart. If you're passionate about it and love it, then maybe we will too!

**All submissions must be emailed. Please email articles and poems in a Word doc attachment, using 12 pt Times font, single spaced to [neil@creationsmagazine.com](mailto:neil@creationsmagazine.com)**

Feel free to contact us periodically by email regarding its status, but not too often, please— we're a small staff!

We publish the first of each **even** month, February, April, etc., six issues per year. Articles must be received approximately six weeks prior to publication.

We look forward to receiving your contributions.  
Be well and keep creating!
